

Kaupparekisteriote

WorldFirst

In Finland, Kaupparekisteriote is issued by the **Finnish Patent and Registration Office (PRH)** (Patentti- ja rekisterihallitus), which acts as the **Trade Register**. It confirms a company's official registration and includes key details such as **the company's name, registration number, and date of incorporation**.

It also verifies that the company is established under the relevant Finnish companies' legislation.
