

Vottorð úr fyrirtækjaskrá

WorldFirst

An Iceland Certificate of Incorporation, also known as Vottorð úr fyrirtækjaskrá, confirms a company's registration details and includes information such as the **company name, registration number, type of business, registered address, date of registration, and details about directors and management**. It also specifies the **share capital** and the company's activities. This certificate serves as proof of the company's legal existence and its registration with the **Icelandic Register of Enterprises (Fyrirtækjaskrá)**.
