

# Extrait du Registre du Commerce et de l'Industrie

WorldFirst

In Monaco, the "certificate of incorporation" is formally known as the "Extrait du Registre du Commerce et de l'Industrie" (Extract from the Trade and Industry Register). This document serves as the official proof of a company's registration and contains key details like the **company's name, registration number, and registered address**. It is issued by the **Monaco Trade and Industry Registry**.
